Dear colleagues,

we gently draw your attention to the 5th International Scientific Conference

Analysis, Topology, Algebra: Theory and Applications (ATA 2016)

**July 06-09, 2016,
Čačak, Serbia.**

The goal of the conference is to present and discuss recent advances in pure and applied mathematics within four sessions with special emphasis on analysis, topology and algebra, and their applications.

Interested participants are most welcome. If you wish to present a technical contribution, please send us an abstract (preferably of at most one page) until June 15, 2016.

Authors will be informed about acceptance of their submission before June 20, 2016.

The registration fee is **60 Euro** and includes conference materials, coffee breaks, a gala dinner, excursion
(but *not* accommodation and meals).

The registration fee is **130 Euro** and includes conference materials, coffee breaks, a gala dinner, excursion, accommodation and meals within University student center.

If you prefer to be in another type of accommodation or apartments, visit http://turizamcacak.org.rs/

We very much look forward to seeing you in Čačak.
